Dear Paul

Having heard the news about the Pennsylvania Cipherblade LLC entity, I would like to inform you that I wish to terminate the engagement I had in place with yourself and the entity of Cipherblade Pennsylvania LLC.

Can you please confirm you will disgorge any information I shared with you following our meeting and in relation to the letter of engagement.

I am sorry to hear this has happened and I wish you all the best in your future endeavors. It is a shame it has come to this, but I have tried reaching out to you several times via email and had no reply

Regards, Matt
